

Index

A

- Abdominal distention (#103), 138
- in candida albicans mucosal infection, 140
 - in carbohydrate malabsorption, 139
 - in collagenous colitis, 150
 - in duodenal ulcerations, 148
 - in gastric ulcerations, 133
 - in gluten sensitive enteritis, 144
 - in intestinal edema, 142
 - in intestinal gas, 152
 - in irritable bowel syndrome, 153
 - in lactose intolerance, 146
 - in lymphocytic colitis, 150
 - in maltose intolerance, 147
 - in sucrose intolerance, 149
 - in ulcerative jejunitis, 146
 - in vitamin B₃ (niacin) deficiency, 82
- Abdominal pain (#104), 138
- bloating
 - in candida albicans mucosal infection, 140
 - in collagenous colitis, 150
 - in Crohn's disease, 152
 - in gluten sensitive enteritis, 144
 - in intestinal edema from inflammation, 142
 - in lymphocytic colitis, 150
 - bloating and cramping
 - in carbohydrate malabsorption, 139
 - in constipation, 151
 - in lactose intolerance, 146
 - in maltose intolerance, 147
 - in sucrose intolerance, 149
 - cramping
 - after eating fatty foods, 136
 - in acute diarrhea, 140
 - in small bowel intussusception, 148
 - localized
 - in enteropathy associated T- cell lymphoma, 184
 - in postbulbar duodenal ulceration, 148
 - poorly localized in vitamin B₁₂ deficiency, 85
- Abortion (miscarriage)
- recurrent, 101
 - in antiphospholipid syndrome, 162
 - in hyperprolactinemia, 101
 - spontaneous (#278), 237
 - in vitamin A deficiency, 76
 - in vitamin B₉ (folic acid) deficiency, 84
- Absence of volition, 207
- Acidosis in acute diarrhea, 140
- Addison's disease (#132), 154
- Advocacy group, access to, 30
- Allergic rhinitis (#147), 161
- Allergy in IgA deficiency, 166
- Aloofness in developmental delay, 249
- Alopecia (hair loss)
- areata (sharply defined hair loss) (#159), 170
 - diffuse (balding) (#160), 170
 - in iron deficiency anemia, 112
- Alpha-linolenic acid (ALA) deficiency (#2), 64
- Amenorrhea, secondary (#264), 226
- in hyperprolactinemia, 101
- Amino acids, essential, deficiency of (#15), 75
- Anemia
- in iron deficiency (#50), 112
 - in autoimmune cholangitis, 136
 - in B-cell non-Hodgkin's lymphoma, 183
 - in copper deficiency, 69, 104
 - in duodenal erosions, 142
 - in H. pylori bacter infection, 135
 - in pulmonary hemosiderosis, 211
 - in ulcerative jejunitis, 146
 - in zinc deficiency, 74, 110
 - refractory in childhood (#290), 244
 - severe in pregnancy (#276), 235
 - in macrocytosis, 108
 - in vitamin B₂ (riboflavin) deficiency, 81
 - in vitamin B₆ (pyridoxine) deficiency, 83
 - in vitamin B₉ (folic acid) deficiency (#49), 111
 - in vitamin B₁₂ deficiency (#51), 113
 - in vitamin C deficiency, 86
 - latent, in intestinal enzymopathies of small intestine (#289), 243
- Angina pectoris (#62), 118
- in coronary artery disease, 120
 - in iron deficiency anemia, 112
- Anorexia - loss of appetite (#71), 123
- in Addison's disease, 154
 - in cachexia, 122
 - in iron deficiency, 70, 112
 - in magnesium deficiency, 71, 106
 - in phosphorus deficiency, 72, 107
 - in potassium deficiency, 73, 105
 - in primary hyperparathyroidism, 158
 - in sarcoidosis, 167
 - in zinc deficiency, 74, 110

-
- Antibodies
- Anti-endomysial antibody blood test (EMA), 22
 - Anti-endomysium (#27), 95
 - Anti-gliadin (#28), 95
 - Anti-gliadin antibody (AGA) blood test, 22
 - Anti-tissue transglutaminase (#29), 96
 - Anti-tissue transglutaminase antibody (tTG) blood test, 22
 - Associated autoimmune (#30), 96
- Antiphospholipid syndrome (#148), 162
- Anxiety
- chronic maladaptive (#222), 204
 - in hyperthyroidism, 161
 - in iron deficiency, 70, 112
 - in magnesium deficiency, 71, 106
 - in potassium deficiency, 73, 105
 - in protein deficiency, 75, 109
 - in vitamin B₁ (thiamin) deficiency, 80
 - in vitamin B₃ (niacin) deficiency, 82
 - marked, in premenstrual syndrome, 229
- Aortic vasculitis causing midaortic syndrome (#57), 115
- Apathy (#223), 204
- in autoimmune thyroiditis, 160
 - in copper deficiency, 69, 104
 - in iron deficiency, 70, 112
 - in protein deficiency, 75, 109
 - in vitamin B₁ (thiamin) deficiency, 80
 - in vitamin B₃ (niacin) deficiency, 82
- Appetite, 34
- increased (#72), 124
 - loss of - *see anorexia*, 123
- Apthous ulcers and non-apthous ulcers (#73), 124
- Arachidonic acid (AA) (#5), 67
- Arthritis
- enteropathic (#257), 222
 - in systemic lupus erythematosus, 168
 - juvenile idiopathic (#299), 251
 - psoriatic (#258), 222
 - recurrent monoarthritis (#259), 223
 - resembling rheumatoid arthritis in
 - vitamin C deficiency, 86
- Asthma (#149), 163
- Ataxia
- gait disturbance (#204), 192
 - gluten (#205), 193
 - progressive myoclonic (#206), 194
- Atherosclerosis (#58), 116
- in elevated homocysteine levels, 100
 - in omega-3 fatty acid deficiencies, 64, 65, 66
 - in vitamin B₆ (pyridoxine) deficiency, 83
 - in vitamin B₉ (folic acid) deficiency, 84, 111
 - in vitamin B₁₂ deficiency, 85, 113
 - in vitamin E deficiency, 78
- Attention deficit hyperactive disorder (ADHD) (#295), 249
- in EPA omega-3 fatty acid deficiency, 66
- Autism and learning disorders (#294), 248
- in EPA omega-3 fatty acid deficiency, 66
- Autoantigen in CD is tissue transglutaminase, 7
- Autoimmune cholangitis (antimitochondrial antibody-negative primary biliary cirrhosis) (#99), 136
- Autoimmune disorders in CD (#150), 164
- Autoimmune disorders in
- dermatitis herpetiformis (#151), 165
- Autoimmune hepatitis (#133), 154
- Autoimmune polyglandular syndrome (#152), 165
- Autoimmune thyroiditis (hypothyroidism) (#145), 160
- Avenin in oats, 3
- B**
- B-cell non-Hodgkin's lymphoma (#187), 183
- Berberi - advanced vitamin B₁ (thiamin) deficiency, 80
- Behavioral disorders in omega-3 fatty acid deficiency, 64, 66
- Biopsies of small intestinal mucosa, 23
- Bipolar disorder in EPA omega-3 fatty acid deficiency, 66
- Bitot's spots (#238), 212
- Bleeding
- blood in the urine in vitamin K deficiency, 79
 - conjunctival hemorrhage in vitamin C deficiency, 86
 - easy bruising, 117
 - epistaxis - bright red nosebleed (#60), 117
 - excessive, 67, 68, 110
 - excessive menstrual in vitamin K deficiency, 79
 - from the gums, 79
 - in dark bluish swellings, 117
 - in hypoprothrombinemia, 114
 - in idiopathic thrombocytopenic purpura, 114
 - in prolonged prothrombin time, 110
 - increased blood clotting, 64, 65, 66
 - into the skin, mucous membranes and conjunctiva, 115
 - occult gastrointestinal bleeding (#130), 152
 - petechiae in vitamin C deficiency, 86
 - prolonged bleeding time in omega-6 fatty acid deficiencies, 67
-

-
- purpura, 114
 - risk for hemorrhage, 114
 - short bleeding time, 64, 66
 - splinter hemorrhages in nails, 86
 - Blepharitis, unexplained (#239), 213
 - Blindness in vitamin A deficiency, 76
 - Blood pressure
 - low - *see hypotension*
 - high - *see hypertension*
 - Blood sugar, inability to control, 156
 - Blood studies, abnormal
 - abnormal hematologic values
 - in childhood (#288), 243
 - alkaline phosphatase (BALP) - elevated (#31), 97
 - cholesterol - low (#32), 98
 - coagulation factors - low (#33), 99
 - homocysteine - elevated level (#34), 100
 - hypercalcemia in parathyroid cancer, 160
 - hyperkalemia in Addison's disease, 154
 - hyperprolactinemia (#35), 101
 - hypertransaminasemia -
 - elevated liver enzymes (#36), 102
 - hypocalcemia - decreased calcium level (#37), 103
 - hypocupremia - decreased copper level (#38), 104
 - hypoglycemia - decreased glucose level (#39), 104
 - hypokalemia - decreased potassium level (#40), 105
 - hypomagnesemia - low magnesium level (#41), 106
 - hypophosphatemia - low phosphate level (#42), 107
 - macroamylasemia (#43), 107
 - macrocytosis (#44), 108
 - macrolipasemia (#45), 108
 - plasma protein - decreased level (#46), 109
 - prolonged prothrombin time (#47), 110
 - zincemia (#48) - decreased zinc level, 110
 - Bloodshot eyes, chronic (#240), 213
 - Blurred vision, unexplained (#241), 213
 - Bone
 - abnormalities in copper deficiency, 69, 104
 - bowing of the long bones in vitamin D deficiency, 77
 - easy fractures in vitamin D deficiency, 77
 - fractures (#251), 217
 - increased risk for, 221, 245
 - imperfect bone and teeth development in phosphorus deficiency, 72
 - osteitis fibrosa cystica (#253), 219
 - osteomalacia (#254), 219
 - osteonecrosis (#255), 220
 - osteopenia in childhood (#291), 245
 - osteoporosis (#256), 221
 - pain (#252), 218
 - in calcium deficiency, 68, 103
 - in potassium deficiency, 73, 105
 - in osteitis fibrosa cystica, 219
 - in osteomalacia, 219
 - in osteonecrosis, 220
 - in secondary hyperparathyroidism, 159
 - rickets (#292), 246
 - Borborygmi in carbohydrate malabsorption, 139
 - Bowel motility, abnormal
 - in constipation, 151
 - in irritable bowel syndrome, 153
 - Brain atrophy (#209), 196
 - in DHA omega-3 fatty acid deficiency, 65
 - Bronchiectasis (#230), 209
 - Bronchoalveolitis (bronchopneumonia) (#231), 209
 - Bruising, easy - ecchymosis (#59), 117
 - Burning
 - and tingling, numbness of hands and feet in peripheral neuropathy, 208
 - of lips, mouth and tongue in vitamin B₂ (riboflavin) deficiency, 81
 - of mouth, throat, and esophagus in vitamin B₃ (niacin) deficiency, 82
 - of the feet in vitamin B₁ (thiamine) deficiency, 80
- ## C
- Cachexia (#68), 122
 - Calcium deficiency (#7), 68
 - Candida albicans mucosal infection (#107), 140
 - Cancer
 - adenocarcinoma of small intestine (#105), 139
 - esophageal small cell (#87), 130
 - increased risk in vitamin E deficiency, 78
 - melanoma (#179), 179
 - of the esophagus (#85), 130
 - of the pharynx (#82), 129
 - parathyroid carcinoma (#144), 160
 - postcricoid carcinoma (#84), 129
 - predisposition in children (#300), 251
 - predisposition to in selenium deficiency, 73
 - Canker sores in mouth - *see aphthous ulcers*, 124
 - Capsule endoscopy procedure, 25
 - Carbohydrate malabsorption (#106), 139
-

-
- Cardiac
 - abnormalities in hyperthyroidism, 161
 - disturbance in hypokalemia, 105
 - dysrhythmias in magnesium deficiency, 71, 106
 - Cardiomegaly (#63), 119
 - in vitamin B₁ (thiamin) deficiency, 80
 - Cardiomyopathy (#64), 119
 - in selenium deficiency, 73
 - Carpalpedal spasms in idiopathic hypoparathyroidism, 159
 - Cataracts (#242), 213
 - in calcium deficiency, 68, 103
 - in vitamin A deficiency, 76
 - in vitamin B₂ (riboflavin) deficiency, 81
 - Celiac disease
 - associated disorders in, 20
 - attributes of, 9
 - atypical signs and symptoms of, 20, 27
 - classic signs and symptoms of, 19
 - complications of, 20
 - continuous long-term follow-up by a multidisciplinary team in, 30
 - definitive diagnosis in, 25
 - diagnostic tests for, 21
 - education, 29
 - genetic predisposition to, 11
 - genetic testing for, 24
 - identification and treatment of nutritional deficiencies and other manifestations in, 30
 - International Classification of Diseases (ICD) code for celiac disease, 9
 - intestinal biopsy improvement in, 31
 - latent, 27
 - management of, 29
 - manifestations of, 19
 - negative antibody results for, 22
 - patient classification in, 27
 - phenotypes in, 27
 - positive antibody results in, 22
 - prevalence of, 17
 - prognosis, 31
 - refractory sprue, 183
 - serologic antibody screening for, 21
 - Celiac disease-specific T-lymphocytes, 11
 - Celiac iceberg, 27
 - Cell-mediated immune response, 13
 - Cerebral perfusion abnormalities (#210), 197
 - Cheilosis (#74), 125
 - Chest pain
 - in cancer of the esophagus, 130
 - in esophageal motor abnormalities, 131
 - in GERD - gastroesophageal reflux disease, 131
 - Cholesterol - low (#32), 98
 - Chorea (#207), 195
 - Chronic bullous dermatosis of childhood (#304), 255
 - Clots, abnormal in vitamin E deficiency, 78
 - Collagenous colitis (#123), 150
 - Collagenous gastritis (#95), 134
 - Colonic volvulus and ulcerative jejunoileitis (#122), 149
 - Coma in vitamin B₁ (thiamin) deficiency, 80
 - Common variable immunodeficiency (#153), 166
 - Concentration, poor in vitamin B₁ (thiamin) deficiency, 80
 - Confabulation in vitamin B₁ (thiamin) deficiency, 80
 - in vitamin B₃ (niacin) deficiency, 82
 - Confusion
 - in hypoglycemia - low blood sugar, 104
 - in magnesium deficiency, 71, 106
 - in potassium deficiency, 73, 105
 - in primary hyperparathyroidism, 158
 - in schizophrenia, 207
 - in vitamin B₁ (thiamin) deficiency, 80
 - in vitamin B₁₂ deficiency, 85, 113
 - Congenital anomalies (#283), 240
 - Congenital malformations in vitamin B₉ (folic acid) deficiency, 84
 - Conjunctiva
 - dryness of the bulbar (white of eyeball), 76
 - inflammation of, 81
 - hemorrhage in vitamin C deficiency, 86
 - Constipation (#126), 151
 - alternating with diarrhea (#127), 151
 - in hypothyroidism, 160
 - in magnesium deficiency, 71, 106
 - in primary hyperparathyroidism, 158
 - in vitamin B₁ (thiamin) deficiency, 80
 - in vitamin B₁₂ deficiency, 85
 - Consultation with a skilled dietitian, 29
 - Coordination for walking - defective in vitamin D deficiency, 77
 - Copper deficiency (#8), 69
 - Cornea, dryness of with haziness, 76
 - Coronary artery disease (#65), 120
 - Cortical calcifying angiomatosis (#211), 197
 - Cough
 - nocturnal in esophageal motor abnormalities, 131
 - non-productive in sarcoidosis, 167
 - productive in bronchopneumonia, 209
-

- productive of purulent sputum in lung abscess, 210
- Crohn's disease (#128), 152
- Crypts, 10, 14
- Cutaneous vasculitis (#168), 173
- Cutis laxa, acquired (#169), 174
- Cystic fibrosis (#285), 241
- D**
- Dark freckles in Addison's disease, 154
- Deamidation, 11, 12
- Death, 76, 80
- Delay in diagnosis of CD and increased risk of autoimmune disorders, 164
- Delayed puberty in boys (#308), 258
- Delayed puberty in girls (#302), 253
- Delirium in vitamin B₁₂ deficiency, 85
- Delusion - belief inconsistent with reality, 207
- Dementia (#212), 198
 - in vitamin B₁ (thiamin) deficiency, 80
- Dental enamel defects - imperfect teeth (#75), 126
- Depression (#224), 205
 - in hyperthyroidism, 161
 - in magnesium deficiency, 71
 - in menopause, 229
 - in potassium deficiency, 73, 105
 - in vitamin B₃ (niacin) deficiency, 82
 - in vitamin B₆ (pyridoxine) deficiency, 83
 - in vitamin B₁₂ deficiency, 85
 - in vitamin C deficiency, 86
 - in zinc deficiency, 74
- Dermatitis herpetiformis (#170), 175
- Dermatitis herpetiformis in childhood (#305), 256
- Dermatitis in protein deficiency, 75, 109
- Dermatomyositis (#171), 176
- Developmental delay (#296), 249
- Diabetes mellitus
 - gastrointestinal complications in type 1 (#138), 157
 - instability (#137), 157
 - juvenile type 1 (#303), 254
 - type 1 - insulin dependent (#136), 156
- Diarrhea
 - acute (#108), 140
 - chronic (#109), 141
 - in carbohydrate malabsorption, 139
 - in collagenous colitis, 150
 - in Crohn's disease, 152
 - in enteropathy-associated T-cell lymphoma, 184
 - in gastric ulceration, 133
 - in hypokalemic rhabdomyolysis, 188
 - in IgA deficiency, 166
 - in irritable bowel syndrome, 153
 - in lactose intolerance, 146
 - in lymphocytic colitis, 150
 - in maltose intolerance, 147
 - in milk intolerance, 147
 - in sucrose intolerance, 149
 - in vitamin B₉ (folic acid) deficiency, 84, 111
 - intermittent in vitamin B₁₂ deficiency, 85, 113
 - intractable in refractory sprue, 183
 - persistent in mesenteric lymph node cavitation, 186
 - serious (may be bloody) in vitamin B₃ (niacin) deficiency, 82
 - with outpouring of blood in ulcerative colitis, 151
 - worsening of in zinc deficiency, 74, 110
- Difficulty
 - chewing/swallowing, 167
 - concentrating in glucose deficiency, 63, 104
 - making friendships in developmental delay, 249
 - recalling information in vitamin B₁ (thiamin) deficiency, 80
 - swallowing - *see dysphagia*, 130
- Digestion, poor in vitamin A deficiency, 76
- Disorganized speech and behavior, 207
- Disorientation in vitamin B₁ (thiamin) deficiency, 80
 - in vitamin B₃ (niacin) deficiency, 82
- Distended neck veins in vitamin B₁ (thiamin) deficiency, 80
- Dizziness
 - in Addison's disease, 154
 - in hypoglycemia, 63
 - in hypokalemia, 105
 - in vitamin B₃ (niacin) deficiency, 82
- Docosahexaenoic acid (DHA) deficiency (#3), 65
- Down syndrome (#281), 239
- Drowsiness, 73, 105
- Dry eye syndrome in EPA fatty acid deficiency, 66
 - in vitamin A deficiency, 76
- Dry mouth in vitamin A deficiency, 76
- Dry skin in EPA omega-3 fatty acid deficiency, 66
- Duodenal erosions in the second part of
 - the duodenum (#110), 142
- Duodenum, 39
- Dysbiosis
 - causing intestinal gas, 152
 - in constipation, 151
 - in diarrhea, 141

-
- Dysgeusia - distortion/impairment of taste (#250), 216
 in Sjögren's syndrome, 167
 in vitamin B₃ (niacin) deficiency, 82
 in vitamin B₁₂ deficiency, 85, 113
 in zinc deficiency, 74, 110
- Dyslexia in EPA omega-3 fatty acid deficiency, 66
- Dysmenorrhea - menstrual pain (#269), 230
- Dyspareunia - pain during intercourse (#270), 231
- Dysphagia - difficulty swallowing (#86), 130
 in cancer of the esophagus, 130
 in cancer of the pharynx, 129
 in esophageal motor abnormalities, 131
 in esophageal small cell carcinoma, 130
 in iron deficiency, 70, 112
 in GERD - gastroesophageal reflux disease, 131
 in Plummer - Vinson syndrome, 132
 in post-cricoid carcinoma, 129
 in glycogenic acanthosis (#298), 250
- Dyspraxia - movement disorder in EPA omega-3 fatty acid deficiency, 66
- E**
- Ear problems in omega-3 fatty acid deficiency, 64
- Early fullness after eating in delayed gastric emptying, 132
- Ecchymosis (#59), 117
- Eczema (#173), 177
- Edema - fluid retention (#172), 176
 in infants in vitamin C deficiency, 86
 intestinal (#111), 142
 of face, legs, trunk and serous cavities in vitamin B₁ (thiamin) deficiency, 80
 periorbital and facial in hypothyroidism, 160
 pulmonary and peripheral in cardiomegaly, 119
 with lung congestion in vitamin B₁ (thiamin) deficiency, 80
- Eicosapentaenoic acid (EPA) deficiency (#4), 66

G

Gall bladder motility, impaired (#100), 136
Gas, excessive (#129), 152
 in carbohydrate malabsorption, 139
 in constipation and alternating with diarrhea, 151
 in delayed gastric emptying, 132
 in diarrhea, 141
 in gluten sensitive enteritis, 144
 in irritable bowel syndrome, 153
 in lactose intolerance, 146
 in maltose intolerance, 147
 in sucrose intolerance, 149
Gastric emptying, delayed, (#92), 132
Gastric ulcer (#93), 133
Gastric ulcerations, multiple (#94), 133
Gastroesophageal reflux disease (GERD) (#89), 131
Gastrointestinal bleeding, occult (#130), 152
Gingival inflammation - in vitamin C deficiency, 86
Gliadin in wheat, 3, 10
Glossary, 54
Glossitis - inflammation of tongue, 82, 83, 84, 85
Glucose deficiency (#1), 63
Gluten, 3
 26-mer peptide derived from incomplete digestion of, 12
 33-mer peptide derived from incomplete digestion of, 7, 12
 anatomy of a grain of wheat, 3
 containing grains, 4
 opioid effect of, 10
 plant taxonomy, 3
 safe alternatives for, 4
 the environmental factor in CD, 11, 19
Gluten-free diet
 necessity of lifelong adherence to, 29
 “Sample of Foods Commonly Allowed and Not Allowed” - Appendix III, 49
 “Self-Management Three Step Process” - Appendix II, 45
 “Unsafe Foods and Ingredients” - Appendix I, 44
Gluten-free diet trial, 25
Gluten sensitive enteritis (#113), 144
Gluten sensitive enteropathy, 9
Glutenin, 3
Glycogenic acanthosis (#298), 250
Grave's disease (hyperthyroidism) (#146), 161
Gums, swollen and purple in adult,

red in child in vitamin C deficiency, 86

H

Hair
 coiling of in skin in vitamin C deficiency, 86
 diameter lower and cuticular scores
 higher of (#161), 171
 discoloration (black or brown turns reddish) of, 75
 loss of pigmentation of, 69
 thinning of, 75
Hallucinations in vitamin B₁₂ deficiency, 85, 113
Hangnail (#177), 179
Headache - *see emicrania, also migraine*
Heart
 enlargement (cardiomegaly) and heart failure
 in vitamin B₁ (thiamin) deficiency, 80
 small size of in Addison's disease, 154
Heartburn (#90), 132
 in gastroesophageal reflux disease (GERD), 131
Helicobacter pylori infection (H. pylori) (#97), 135
Hematoma, 99
Hemochromatosis (#52), 113
Hemorrhage
 in idiopathic pulmonary hemosiderosis, 211
 in infants, 86
 risk for in hypoprothrombinemia, 114
 splinter-like in nails, 86
Hepatic granulomatous disease (#135), 155
Hepatomegaly (enlarged liver), 155
Histopathology, 14
HLA-DQ2, HLA-DQ8, 11
Hordein in barley, 3
Hunger, 34
 in hypoglycemia, 63, 104
 in obesity, 121
 in protein deficiency, 75, 109
Hyperactivity in children in vitamin B₃ (niacin) deficiency, 82
Hyperparathyroidism, primary (#141), 158
Hyperparathyroidism, secondary (#142), 159
Hyperpermeability of small intestinal lining, 9, 12
Hyperprolactinemia (#35), 101
Hypertension (elevated blood pressure), 68, 71, 73, 106, 161
 in aortic vasculitis, 115
 in essential fatty acid deficiency, 64, 65, 66
 intracranial, 84, 111, 197
 reversible (#61), 118
Hyperthyroidism - *see Grave's disease*, 161

-
- Hypocalcemia (#37), 103
 in idiopathic hypoparathyroidism, 159
 in secondary hypoparathyroidism, 159
- Hypocalciuria - low calcium excretion in urine (#260), 223
- Hypochondria, in vitamin C deficiency, 86
- Hypoglycemia (#39), 104
- Hypogonadism in children in zinc deficiency, 74, 110
- Hypogonadism, unexplained in males (#272), 232
- Hypokalemic rhabdomyolysis (#195), 188
- Hypoparathyroidism, idiopathic (#143), 159
- Hypophosphatemia (#42), 107
 in idiopathic hypoparathyroidism, 159
 in secondary hypoparathyroidism, 159
- Hypoprothrombinemia (#53), 114
- Hyposplenism (#194), 187
 in lung abscess, 210
 in pneumococcal septicemia, 210
- Hypotension - low blood pressure, 67, 73
- Hypothyroidism - *see autoimmune thyroiditis*, 160
- Hypotonia - flaccid muscles (#301), 252
- Hysteria in vitamin C deficiency, 86
- I**
- Ichthyosis, acquired (#178), 179
- Idiopathic thrombocytopenic purpura (#54), 114
- IgA deficiency (#154), 166
- IgA nephropathy (#261), 224

- Immature secondary sex characteristics
 female, 253
 male, 101, 232, 258
- Immunity
 cell mediated, 13
 humoral response, 13
- Immunoglobulin-A (IgA), 13
- Immunoglobulin-G (IgG), 13
- Impaired taste and smell in zinc deficiency, 74, 110
- Impaired vibratory and sensory sensations in vitamin E deficiency, 78
- Impotence, male (#273), 233
- Inability to concentrate (#225), 206
 in depression, 205
 in DHA fatty acid deficiency, 65
- Inappropriate affect in developmental delay, 249
- Inattention in iron deficiency, 70, 112
- Indigestion in vitamin B₁ (thiamin) deficiency, 80
 in cancer of the esophagus, 130
- in esophageal small cell carcinoma, 130
- Infant
 edema in vitamin C deficiency, 86
 hemorrhages in vitamin C deficiency, 86
 low birth weight in omega-6 fatty acid deficiency, 67
 reduced head circumference of in omega-6 fatty acid deficiency, 67
 weakness of bone, teeth, cartilage, and connective tissue in vitamin C deficiency, 86
- Infection
 increased susceptibility to
 in iron deficiency, 70, 112, 235, 243, 244
 in zinc deficiency, 74, 110
 life-long in hyposplenism, 187
 life-threatening in transient erythroblastopenia, 115
 lowered resistance to in selenium deficiency, 73
 in protein deficiency, 75, 109
 predisposition to in neutropenia, 115
 recurrent in common variable immunodeficiency, 166
 in IgA deficiency, 166
 recurrent respiratory in milk intolerance, 147
 repeat and poor recovery
 in vitamin A deficiency, 76
 in zinc deficiency, 74, 110
- Infertility
 both sexes
 in iron deficiency, 70, 112
 in omega-6 deficiency, 67
 in protein deficiency, 75, 109
 in vitamin B₉ (folic acid) deficiency, 84, 111
 female (#265), 227
 male (#274), 234
 in vitamin A deficiency, 76
 in vitamin D deficiency, 77
 in vitamin E deficiency, 78
 in zinc deficiency, 74, 110
- Inflammation
 poor response to injury in omega-6 fatty acid deficiency, 67
- Ingredient list on food packaging, 44
- Insomnia (#226), 206
 in calcium deficiency, 68, 103
 in depression, 205
 in magnesium deficiency, 71, 106
 in omega-3 fatty acid deficiency, 66
 in tryptophan amino acid deficiency, 75
 in vitamin B₁ (thiamine) deficiency, 80
-

in vitamin B₆ (pyridoxine) deficiency, 83
Intellect, diminished in protein deficiency, 75
severe in brain atrophy, 196
Intercellular tight junctions (enterocytes), 11, 12
Intestinal barrier defense system, 12
Intestinal permeability, increased
(leaky gut syndrome) (#114), 145
Intrauterine growth retardation of fetus (#284), 240
in zinc deficiency, 74, 110
Iron deficiency (#9), 70
Irritability (#227), 206
in depression, 205
in magnesium deficiency, 71, 106
in premenstrual syndrome, 229
in tetany, 191
in vitamin B₁ (thiamine) deficiency, 80
in vitamin B₆ (pyridoxine) deficiency, 83
in vitamin C deficiency, 86
marked in hypoglycemia, 63, 104
Irritable bowel syndrome (#131), 153

J

Jaundice in primary sclerosing cholangitis, 137
Jejunitis, chronic ulcerative (#115), 146
Jejunum, 40
Joint pain (arthritis) in vitamin C deficiency, 86
Juvenile autoimmune thyroid disease (#309), 259
Juvenile idiopathic arthritis (#299), 251

K

Keratoconjunctivitis (#243), 214
Keratomalacia (#244), 214
Kidney stone - *see renal calculus*, 225
Koilonychia (#164), 172

L

Lack of coordination in movement and walking, 193
Lack of feeling or absence of care, 204
Lactose intolerance (#116), 146
Large intestine (colon), 42
Laryngospasm (#83), 129
Larynx, 35
Lassitude (#215), 199
in idiopathic hypoparathyroidism, 159
Leaky gut syndrome, 12

Learning

faulty in omega-6 fatty acid deficiency, 67
reduced in iron deficiency, 70, 112

Lethargy

in cachexia, 122
in calcium deficiency, 103
in rickets, 246
in vitamin C deficiency, 86

Leukopenia (low white blood cell level), 69, 104

Lightheadedness in anemia, 111, 112, 113

Linoleic acid (LA) deficiency (#6), 67

Liver enzymes, elevated, 102

in autoimmune cholangitis, 136
in hepatic granulomatous disease, 155
in non-alcoholic fatty liver disease, 155

Loss of

feeling in toes in vitamin B₁ (thiamine) deficiency, 80
power to live or go on living, 122
smell (#249), 216
speech sounds from the larynx, 80
vitality (#69), 122
in iron deficiency, 70, 112
in protein deficiency, 75, 109
in selenium deficiency, 73

Low

birth weight in intrauterine growth retardation, 240
energy in zinc deficiency, 74, 110
frustration level in attention deficit hyperactive disorder, 249
morale in vitamin B₁ (thiamin) deficiency, 80

Lung cavities or abscesses (#232), 210

Lung failure in sarcoidosis, 167

in hypokalemia, 105

Lymphadenopathy - swollen lymph nodes (#192), 185

in B cell non-Hodgkins lymphoma, 183

in extraintestinal lymphomas, 185

Lymphocytic colitis (#124), 150

Lymphocytic gastritis (#96), 134

Lymphocytosis, 13, 185

Lymphoma

B cell non-Hodgkin (#187), 183
cryptic intestinal T-cell lymphoma
(refractory sprue) (#188), 183
enteropathy-associated T-cell lymphoma
(EATL) (#189), 184
extraintestinal (#190), 185

Lymphopenia

in pyridoxine deficiency, 83

in systemic lupus erythematosus, 168

M

Macroamylasemia (#43), 107

Macrocytosis (#44), 108

Macrolipasemia (#45), 108

Magnesium deficiency (#10), 71

Maltose intolerance (#117), 147

Melanoma (#179), 179

Memory

faulty in omega-6 fatty acid deficiency, 67

loss of immediate in vitamin B₁ (thiamin) deficiency, 80

in chronic fatigue syndrome, 200

poor in vitamin B₁ (thiamin) deficiency, 80

in vitamin B₃ (niacin) deficiency, 82

reduced in iron deficiency, 70, 112

Menarche, late - delayed menstruation (#266), 228

Menopause, early (#267), 229

Menstrual pain - *see dysmenorrhea*, 230

Mesenteric lymph node cavitation

and hyposplenism (#193), 186

Migraine (#217), 200

in cortical calcifying angiomas, 197

in vitamin B₉ (folic acid) deficiency, 84, 111

Milk intolerance (bovine beta casein enteropathy) (#118), 147

Milk production, low in lactating women in phosphorus deficiency, 72, 107

Miscarriage - *see abortion*, 237

Mouth, 34

burning sensations of, 127, 128

Mucin, 34

Mucosa

atrophy of intestinal, 14

complete recovery of intestinal, 31

hypoplastic intestinal, 24

inflamed membranes of vagina and urethra in vitamin B₃ (niacin) deficiency, 82

loss of integrity in vitamin A deficiency, 76

normal intestinal, 14

Mucous, diminished production of in vitamin A deficiency, 76

Multiple sclerosis (#218), 201

Muscle

atrophy of calf and thigh and tenderness

in vitamin B₁ (thiamin) deficiency, 80

brief, rapid contraction of, 194

cramps and spasm (#197), 189

in back and legs in calcium deficiency, 68, 103

in idiopathic hypoparathyroidism, 159

in potassium deficiency, 73, 105

in tetany, especially hands and feet, 191

in thighs in vitamin B₁ (thiamin) deficiency, 80

myoclonic jerks in potassium deficiency, 73, 105

necrosis in polymyositis, 190

pain (#196), 189

in autoimmune thyroiditis, 160

in chronic fatigue syndrome, 200

in dermatomyositis, 176

poor tone in hypotonia, 252

in protein deficiency, 75, 109

proximal weakness - upper extremities, 161, 190

stiffness in vitamin B₁₂ deficiency, 85

tense calf in vitamin B₁ (thiamin) deficiency, 80

wasting (#198), 189

in cachexia, 122

in dermatomyositis, 176

in polymyositis, 190

in protein deficiency, 75, 109

in vitamin C deficiency, 86

of calf and thigh in vitamin B₁ (thiamin) deficiency, 80

weakness (#199), 189

in chronic fatigue syndrome, 200

in hypoglycemia, 63, 104

in magnesium deficiency, 71, 106

in osteomalacic myopathy, 190

in phosphorus deficiency, 72, 107

in primary hyperparathyroidism, 158

in protein deficiency, 75, 109

in selenium deficiency, 73

in vitamin B₁ (thiamin) deficiency, 80

in vitamin B₃ (niacin) deficiency, 82

in vitamin D deficiency, 77

of calf and thigh in in vitamin B₁ (thiamin) deficiency, 80

sudden with inability to walk in hypokalemic rhabdomyolysis, 188

Myocardial ischemia in magnesium deficiency, 71, 106

N

Nails

dry and brittle nails that chip, peel, crack or break easily (#162), 171

horizontal & vertical ridges in nails (#163), 172
koilonychia, 172
pitting in psoriasis, 181
rounded with curved ends, dark & dry (#166), 172
split in omega-3 fatty acid deficiency, 64
subungual splinter hemorrhages (#165), 172
white spots and white bands (#167), 173
National Institutes of Health (NIH)
panel statement on celiac disease issued August 9,
2004, xi
Nausea in delayed gastric emptying, 132
in magnesium deficiency, 71, 106
in postbulbar duodenal ulceration and stenosis, 148
in vitamin B₃ (niacin) deficiency, 82
Nerve synapses and DHA omega-3 fatty acid, 65
Nervous system disorders (#203), 192
Nervousness
in hypoglycemia, 63, 104
in zinc deficiency, 74, 110
Neuritis in vitamin B₃ (niacin) deficiency, 82
Neuromuscular disturbances
in magnesium deficiency, 71, 106
in phosphorus deficiency, 72, 107
Neutropenia granulocytic hypersegmentation (#55), 115
Nightblindness (#245), 214
Non-alcoholic fatty liver disease (#134), 155
Non-celiac gluten sensitivity reactions, 15
Non-tropical sprue, 9
Nystagmus in vitamin B₁ (thiamin) deficiency, 80

O

Obesity (#66), 121
Obstetrical complications (#279), 238
Occult gastrointestinal bleeding (#130), 152
Ocular myopathy (#246), 215
Ophthalmoplegia in vitamin B₁ (thiamin) deficiency, 80
Oral mucosal lesions, chronic (#77), 127
Osteitis fibrosa cystica (#253), 219
Osteomalacia (#254), 219
Osteomalacic myopathy (#200), 190
Osteonecrosis (#255), 220
Osteopenia in childhood (#291), 245
Osteoporosis (#256), 221
in magnesium deficiency, 71
in phosphorus deficiency, 72
in potassium deficiency, 73
in primary hyperparathyroidism, 158

in selenium deficiency, 73
in vitamin D deficiency, 77
in vitamin K deficiency, 79

P

Pallor
in chronic ulcerative jejunitis, 146
in iron deficiency, 70, 112, 244
in vitamin B₉ (folic acid) deficiency, 111
in vitamin B₁₂ deficiency, 85, 113
Palpitation in hypoglycemia, 104
Palsy in hypoglycemia, 104
Pancreatic insufficiency (#139), 157
Paranoia in vitamin B₁₂ deficiency, 85
Parathyroid hormone decreased
in magnesium deficiency, 71
Pellegra in advanced vitamin B₃ (niacin) deficiency, 82
Pelvis, flattening and narrowing of the pelvic outlet
in vitamin D deficiency, 77
Penicillin V impaired absorption in children (#307), 257
Peripheral neuropathy (#229), 208
in omega-3 fatty acid deficiency, 64
in vitamin B₆ (pyridoxine) deficiency, 83
in vitamin B₉ (folic acid) deficiency, 84
Persistent feelings of guilt or self-criticism, 205
Personality change
in hypoglycemia, 104
in magnesium deficiency, 71
in potassium deficiency, 73, 105
Pharynx, 35
Phosphorus deficiency (#11), 72
Photophobia
in keratoconjunctivitis sicca, 214
in vitamin B₂ (riboflavin) deficiency, 81
in zinc deficiency, 74, 110
Pityriasis rubra pilaris (#180), 180
Plummer-Vinson syndrome (#91), 132
Pneumococcal septicemia (#233), 210
Polymyositis (#201), 190
Positivity to sugar permeability test, 145
Post-cricoid carcinoma (#84), 129
Post bulbar duodenal ulceration and stenosis (#119), 148
Potassium deficiency (#12), 73
Pregnancy
abnormal taste sensations in zinc deficiency, 74, 110
abnormally short or prolonged gestations, 238
abruptio placenta in vitamin B₉ (folic acid) deficiency, 84

atonic bleeding after delivery - uterus relaxes, 238
 complications after delivery, 238
 increased maternal morbidity (death), 238
 increased risks to fetus, 238
 inefficient labor, 238
 maternal disorders in zinc deficiency, 74, 110
 pre-eclampsia in calcium deficiency, 68, 103
 reduced rate in hyperprolactinemia, 101
 restless leg syndrome in vitamin B₉ (folic acid) deficiency, 84
 severe iron deficiency anemia in, 235
 toxemia of in vitamin B₉ (folic acid) deficiency, 84
 zinc-deficiency syndrome in, 74, 110
 Premature ventricular and atrial contractions of the heart
 in potassium deficiency, 73
 Premenstrual syndrome (PMS) (#268), 229
 Primary biliary cirrhosis (#101), 137
 Primary sclerosing cholangitis (#102), 137
 Progressive multifocal leukoencephalopathy (#220), 202
 Proinflammatory cytokines, 19
 Prurigo nodularis (Hyde's prurigo) (#181), 180
 Pruritic skin rash (#182), 180
 Psoriasis (#183), 181
 Psychiatric disorders
 in cerebral perfusion abnormalities, 197
 in vitamin B₉ (folic acid) deficiency, 84
 Puerperium complicated by CD (#280), 238
 Pulmonary hemosiderosis, idiopathic (#234), 211
 Pulmonary permeability, increased (#235), 211
 Pulse
 fast in vitamin B₁ (thiamin) deficiency, 80
 slow in hypothyroidism, 160

Q, R

Rectal bleeding in ulcerative colitis, 151
 Recurring thoughts of suicide or death, 205
 Reflexes
 brisk in osteomalacic myopathy, 190
 brisk in hyperthyroidism, 161
 loss of deep tendon reflexes in vitamin E deficiency, 78
 loss of knee jerk in vitamin B₁ (thiamin) deficiency, 80
 Refractory sprue, 183
 Renal calculus (kidney stone) (#262), 225
 Restlessness in hypoglycemia, 63, 104
 Retina, dysfunction of in vitamin A deficiency, 76
 Retinopathy in vitamin E deficiency, 78
 Rheumatic pains in legs in vitamin C deficiency, 86

Rickets (#292), 246

S

Salivary amylase, 34
 Sarcoidosis (#155), 167
 Schizophrenia spectrum disorders (#228), 207
 in EPA fatty acid deficiency, 66
 Scleroderma (#184), 181
 Scurvy - advanced vitamin C deficiency, 86
 Seborrhea (#185), 182
 Secalin in rye, 3
 Seizures
 in cortical calcifying angiomas, 197
 in hypocalcemia, 103
 in magnesium deficiency, 71
 in potassium deficiency, 73, 105
 Selenium deficiency (#13), 73
 Semen, reduced quality of, 232
 Sense of worthlessness, 205
 Short duration of breast feeding (#277), 236
 Short stature (#293), 247
 in omega-6 fatty acid deficiency, 67
 in zinc deficiency, 74, 110
 Sjögrens syndrome (#156), 167
 Skin
 cracked, itchy, pigmented red rash advancing to crusting in vitamin B₃ (niacin) deficiency, 82
 dry, scaly, rough with plugged hair follicles
 in vitamin A deficiency, 76
 eruptions sensitive to sunshine, 82
 extremely itchy, bullous skin rash in dermatitis herpetiformis, 175
 flaky in protein deficiency, 75
 itchy rash in dermatomyositis, 176
 itchy, red wet areas from chafing
 in vitamin B₃ (niacin) deficiency, 82
 lemon yellow tint of in vitamin B₁₂ deficiency, 85, 113
 loose in copper deficiency, 69
 loss of pigmentation of in copper deficiency, 69, 104
 multiple red to brown painful nodules, 178
 raised scaly, discoid (disc-like) lesions, 168
 recurring itchy sores that scar, 180
 red, itchy rash that oozes serous fluid then crusts, thickens, or scales in eczema, 177
 red, scaly plaques (patches) with sharply defined borders in psoriasis, 181

superficial necrosis, 162
thick, loose, sagging in cutis laxa, 174
thickened, scaling areas of reddened skin, 180
unpigmented flat white patches in vitiligo, 182
yellow papules or nodules changing to red, purple,
or brown, 177
yellowish patches in seborrhea may be dry, flaky
or greasy, 182
Sleep disturbances, 66, 80
Sleeplessness in vitamin B₆ (pyridoxine) deficiency, 83
Small bowel atrophy in mesenteric lymph node cavitation
and hyposplenism, 186
Small intestine, 37
Social withdrawal, 207
Spasticity and ataxia in vitamin B₁₂ deficiency, 85, 113
Sperm abnormalities (#275), 235
Sperm formation, impairment of, 234
Spina bifida (#286), 241
Sputum production
 bloody in pulmonary hemosiderosis, 211
 in bronchial pneumonia, 209
 in tuberculosis, 212
 purulent in lung abscess, 210
 regular production of in bronchiectasis, 209
Staggering walk in vitamin B₁ (thiamin) deficiency, 80
Steatorrhea (#140), 158
Stomach, 36
 pain in collagenous gastritis, 134
 pain in gastric ulcers, 133
Stomatitis, 83, 84
Stool
 bulky, foul-smelling, oily, 157
 bulky, foul-smelling, pale/stick to toilet in CD, 158
Stroke, 203
 in childhood (#297), 250
Subcutaneous fat, wasting of in protein deficiency, 75, 109
Subperiosteal bleeding in copper deficiency, 69, 104
Sucrose intolerance and sucrosemia (#121), 149
Sugar-permeability test, 145
Sweating, 80, 104
 in B-cell non-Hodgkins lymphoma, 183
 in extraintestinal lymphomas, 185
 night sweats in sarcoidosis, 167
Systemic lupus erythematosus (#157), 168

T

Tachycardia (fast heartbeat), 80, 111, 112, 119

Teeth

demarcated opacities - white marks, 126
horizontal grooves and/or pits, 126
hypoplasia, 126
loss from infection in vitamin C deficiency, 86
yellow, 126

Tetany (#202), 191

Thinking

faulty in omega-6 fatty acid deficiency, 67
impaired in vitamin B₁₂ deficiency, 85, 113
slow and/or faulty in DHA fatty acid deficiency, 65

Thirst, excessive, 64, 66, 67, 73, 105

Thrombocytopenia, 84, 85, 111

Thrombosis of coronary arteries (clot), 120

Thymic atrophy and deficient hormone in children, 74

Thyroid disorders in selenium deficiency, 73

Tissue transglutaminase, 7, 11, 12

Tongue

beefy red, smooth, burning (#78), 128
fiery red, smooth, swollen (#79), 128
magenta hue, swollen (#80), 128
pale, smooth, and burning (#81), 128

Total serum IgA test, 22

Transient erythroblastopenia (#56), 115

Transient ischemic attacks (TIA), 203

Tremor (#208), 195

Tremulousness in hypoglycemia, 104

Triglycerides, elevated blood level, 64, 65, 66

Tuberculosis - non-response to treatment (#237), 212

Tuberculosis, increased susceptibility to (#236), 212

Tumor growth in omega-3 fatty acid deficiency, 64

Turner's syndrome (#282), 239

U

Ulcerative colitis (#125), 151

Ultrasound procedure, 24

Unnoticed dark bluish swellings, 117

Upper gastrointestinal bleeding (dark stool), 133

Urinary frequency in idiopathic hypoparathyroidism, 159

Urinary tract infection (UTI) (#263), 226

Urine output, decreased in vitamin B₁ (thiamin)
deficiency, 80

Urticaria, chronic (hives) (#158), 169

Uveitis, bilateral (#247), 215

V

- Vaginitis (#271), 231
- Vascular membrane lipid composition, changes in, 64
- Vasculitis of the central nervous system (#221), 203
- Vasodilatation and warm extremities in thiamin deficiency, 80
- Villi, intestinal, 10, 13, 14
 - microscopic damage to, 14
 - recovering, 31
 - submicroscopic damage to, 23
- Violent behavior in hypoglycemia, 63, 104
- Vision
 - disturbances, paroxysmal, 201
 - impaired in omega-3 fatty acid deficiency, 64
 - loss of visual acuity in riboflavin deficiency, 81
- Vitamin A deficiency (#16), 76
- Vitamin B₁ (thiamin) deficiency (#20), 80
- Vitamin B₂ (riboflavin) deficiency (#21), 81
- Vitamin B₃ (niacin) deficiency (#22), 82
- Vitamin B₆ (pyridoxine) deficiency (#23), 83
- Vitamin B₉ (folic acid) deficiency (#24), 84
- Vitamin B₁₂ deficiency (#25), 85
- Vitamin C deficiency (#26), 86
- Vitamin D deficiency (#17), 77
- Vitamin E deficiency (#18), 78
- Vitamin K deficiency (#19), 79
- Vitiligo (#186), 182
- Vomiting (#98), 135
 - in delayed gastric emptying, 132
 - in magnesium deficiency, 71, 106
 - in milk intolerance, 147
 - in potassium deficiency, 73, 105
 - in vitamin B₃ (niacin) deficiency, 82

W

- Walking
 - coordination for, impaired in vitamin D deficiency, 77
 - delayed in children (1 to 4 year), 77
 - painful with bowlegs and knock-knees in child, 77
 - staggering in advanced vitamin B₁ (thiamin) deficiency, 80
- Weakness
 - in cachexia, 122
 - in hypoglycemia, 63, 104
 - of extremities in peripheral neuropathy, 208
 - profound in neutropenia, 115

progressive in autoimmune cholangitis, 136

Weight

- gain (#67), 121
- loss, considerable in vitamin B₁₂ deficiency, 85
- loss, unexpected (#70), 123
 - in Addison's disease, 154
 - in B-cell non-Hodgkins lymphoma, 183
 - in cachexia, 122
